Gregg,

*I would like to thank you for making the sale of our home such an easy experience. You were professional and great with communication.*

*The online auction had over 300 views, which was a great expression of interest. You scheduled open house events and were available to discuss the property with potential buyers. These marketing tools increased the pool of potential buyers tremendously.*

*I feel like the online auction with Granger, Thagard and Associates, Inc was the best option for us to sell the house. Several other options had been tried with no success.*
